

## End Times Made Easy ... and Complete.

### Biblical end times without contradictions because the correct interpretation of Daniel 11 and the Seals makes all the difference.

Briefly, this website is different from others because it chose to focus on the 'abomination that causes desolation', spoken of by the prophet *Daniel*, just as *Jesus* instructed. (Matthew 24:15) Seriously, when this website started, in 2012, current events were only up to Daniel 11:22, but now, all the verses through Daniel 11:30 are complete, which proves this interpretation to be correct. Now, the current riots in Israel have a good chance of developing into the uprising that sets up the **abomination**, in Daniel 11:31, so it's time to get on board with the truth. This website links all aspects of end times, including **Revelation**, to show how everything fits together, *without contradictions*, which is how God's Word *must* be interpreted. You don't have to take *my* word for it; current events have *proven* it, as only God can make happen.

#### Understanding End Times in Three Easy Steps

**Step 1:** There is *proof* in the Bible that **the rapture is the 6th Seal**, not the 7th trumpet, not the 7th bowl, not after the 7th church. The rapture is the sixth seal because the signs in the sun, moon, and stars in Matthew 24:29, (when Jesus appears and the angels gather the elect), are *identical* to the signs given at the sixth seal. Just look below. That fact cannot be changed. (\*But don't worry; **the other 5 Seals are done / Revelation's true timeline.**)

#### Matthew 24:29-31 (Rapture)

"The sun will be darkened, \_\_\_\_\_  
the moon will not give its light, \_\_\_\_\_  
stars will fall from the sky, \_\_\_\_\_  
and the heavenly bodies will be *shaken*. --  
**Jesus will appear on clouds of the sky** \_\_\_\_\_  
Nations of the earth will mourn \_\_\_\_\_  
Angels will gather the elect \_\_\_\_\_

#### Revelation 6:12-13 (6th Seal)

The sun turned black like sackcloth made of goat hair,  
the whole moon turned blood red,  
and the stars in the sky fell to earth  
as late figs drop from a fig tree, *shaken* by a strong wind  
The sky receded like a scroll.  
wanted the rocks to fall on them & hide them from the Lamb.  
**multitude in heaven, from every nation (Rev. 7)**

**The 7<sup>th</sup> Seal** is just a half-hour of silence, before God's wrath begins. Note: The trumpet plagues can't start until that is done because they are in the same chapter. (**Revelation 8:1-2,6**) And naturally, the 6<sup>th</sup> Seal must come before the 7<sup>th</sup> Seal. And since the multitude are in heaven *between* the 6<sup>th</sup> and 7<sup>th</sup> Seals (Rev 7), it further proves the pre-tribulation / 6<sup>th</sup> Seal rapture. Note: This is the only way that Revelation can be explained in a continuous timeline, without contradictions, manipulations, or omissions, which are forbidden anyway. (**Revelation 22:19**)

**Note:** God also embedded two 70-year periods into the Seals, from Jewish history, as proof. (visit [Seals page](#) - or click here for a [PDF condensed-version](#) of the Seals)

-- **Step 2:** Next, to find out when the "6th Seal" takes place, you must go back to Matthew 24, and see that the *last sign* given was the "*abomination that causes desolation*". Furthermore, the rapture happens very quickly, after the abomination, because Jesus said, "*Let those who are in Judea flee to the mountains. Let no one on his roof go down to take anything out of his house. Let no one in the field go back to get his cloak.*" (Matt 24:16-18) He conveyed a sense of urgency, *twice*, so no one would misunderstand that the rapture happens very quickly. (see more on [Matthew 24 page](#)) Revelation confirms that the 6<sup>th</sup> Seal is the rapture because people are hiding in the **mountains**, who see Jesus (the Lamb), in the sky, and are terrified. (Rev 6:15-17) Christians are in heaven in Revelation 7 so everything makes perfect sense.

-- **Step 3: To find out when the abomination occurs (in real time), you must go to the chronological list of events, surrounding the abomination, in Daniel 11.** By the way, Daniel 11 is called the "*Book of Truth*" and it's the only chapter, in the Bible, that was "*sealed until the time of the end*". Therefore, it's obviously a prophecy of end times.

**e?** Additionally, when God decided to "unseal" **Daniel 11**, He revealed pending 'signs' (events), leading to the abomination (and rapture), which match current events in the Middle East today!

What makes this extraordinary is that it literally proves (to atheists or skeptics) that *God exists!* I mean, if God foretold events 2500-years ago, and can make them happen today, He must be real. *Right?* Anyway, you don't have to take my word for it; the following events *prove* it.

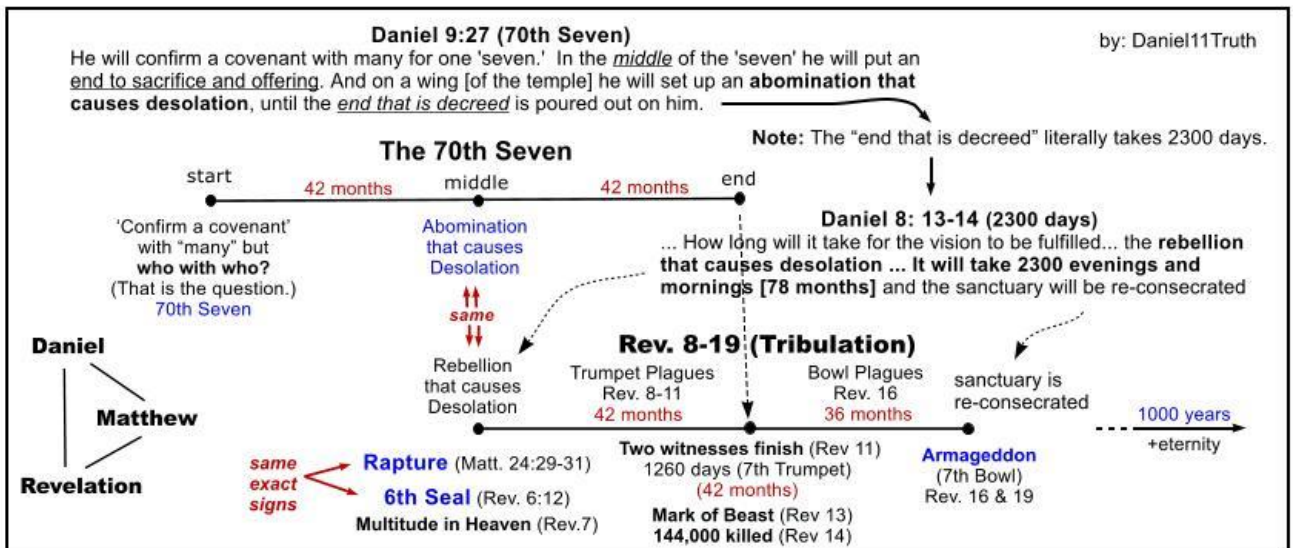

Perhaps most importantly, this interpretation proves that we are heading towards the "abomination", **just like Jesus said**. In a sense, God made end times easy to understand but waited until the "end" to reveal it. God truly works in mysterious ways.

### The Abomination from the Book of Daniel

As I said in the intro, the abomination is the single most important event to watch for, during end times, because that's what Jesus specifically mentioned in Matthew 24:15. Yet, it amazes me how some people try to explain end times without ever mentioning Daniel or the abomination. Still others try to say that the 70<sup>th</sup> Seven, in Daniel 9:27, is the same as the tribulation but it's clearly not because the abomination is in the 'middle' of the 70<sup>th</sup> Seven, and the abomination 'starts' the 2300-day period in Daniel 8:13-14, which is tribulation (between the abomination and re-consecration of the sanctuary). In other words, the 'tribulation', which starts with the abomination, contains the Trumpets and Bowl plagues in Revelation, and lasts for 2300-days (78 months). Essentially, the end of the 70<sup>th</sup> Seven divides the 2300-days into two parts, which separates the Trumpets and Bowls. That division is the 1260-day mark, which is when the two witnesses are killed, rise again, and ascend to heaven. (Rev 11) There are other significant events, near that time, particularly at the 1290 and 1335-days (alluded to in Daniel 12:11-12), which I believe to be the mark of the beast (Rev 13) and the martyrdom of the 144,000 Jews for not taking the mark (Rev 14). That happens before the Bowl plagues, which accounts for Jesus' statement: "For the sake of the elect, those days will be shortened." (Matthew 24:22) [See chart below]

**Note:** If anyone tries to explain end times without examining the 'abomination', first and foremost, then they just aren't following Jesus' advice in Matthew 24:15.

Therefore, as you can see, the books of Daniel, Matthew, and Revelation, combine to form a clear picture of end times. Other information from Ezekiel, Thessalonians, or anywhere else in the Bible, fits logically into the same timeline, without manipulations or contradictions. The key is starting with the abomination, from the *Book of Daniel*, as Jesus said to do. Besides the time periods in Daniel 8, 9, and 12, Daniel 11 provides a verse-by-verse series of events, leading to the abomination and beyond, which is important because it provides the most accurate signs to when the abomination might occur. It's an exciting time to be a Christian because events indicate that we have arrived at the abomination (Daniel 11:31), which is when Jesus will return in the sky, to gather (or rapture) those who love Him, and believe that He is the Son of God. (Matt. 24:29-31)

The above chart provides an illustration of the difference between the 70<sup>th</sup> Seven and 2300-days, according to where the abomination occurs. The 2300-days are shown in more detail in the 3<sup>rd</sup> chart below.

### A few things to notice:

1. Notice how Noah's life-span over-laps with Abraham's by 58 years. And Shem actually out-lived Abraham by 35 years! (see chart with dates on 'pop-up') My point is: Even before God's creation and flood story was *written*, it could have been *told* to Abraham by someone who was actually on the Ark.
2. Also, notice how Abraham, David, and Jesus are equally spaced and centered near millenniums.
3. **Most importantly, notice how Daniel 11 and the Seals fill in the last 2000-years, so God's Biblical timeline is continuous.** Also notice how **Islam** falls within the time-frame of Satan's "revenge". (Yet, God knew everything ahead of time because He told Daniel and 'sealed' it.)

Note: Jeremiah prophesied that Israel would be scattered and re-assembled. (Jeremiah 16:14-15)  
**Yet, only the Seals reveal "how" God planned to accomplish that (revolts - money - Holocaust), which actually happened!**

Daniel 11 is synonymous with Biblical end times because it was the only chapter in the Bible that was "sealed until the time of the end".

Furthermore, the angel, who relayed the information to Daniel, called it the "Book of Truth".

Why would anyone try to explain "end times" without it?

Jesus said, "I tell you the truth, until heaven and earth disappear, not the smallest letter, not the least stroke of a pen, will by any means disappear from the Law until everything is accomplished."  
(Matthew 5:18)

## "Number of the Beast" - (real meaning of 666)

Recent events caused me to stumble upon the real meaning of the '666', in Revelation 13, and it confirmed, even more, that Iran was the 'final empire' in Daniel 11.

That's because  $666 / (6+6+6) = "37"$  and the Islamic Revolution in Iran, in 1979, was the perfect "37 x 37" years from Muhammad's *original* vision, in 610 AD. It's true:  $610 \text{ AD} + 1369 = 1979$ .

Plus, there are many other significant events that fall on years that are multiples of 37-years from when Daniel received the "Book of Truth" (Daniel 11). For example, Osman's vision from 1276 AD (highlighted in Daniel 11:14) was "18 x 37" or 666 years from Muhammad's original vision. That puts *both* of the main Islamic visions on the same timeline with Khomeini's Islamic Revolution of 1979. (See 'number of the beast' page for a timeline containing many more examples.)

Exposing  
 Post-Tribulationist's  
 Deceptions

One thing I hope people take away from this website is that *Biblical end times* cannot be *accurately* discussed without examining the "abomination", from the *Book of Daniel*, because that's where **Jesus said to look!** On top of that, any *legitimate* explanation should include *all* mentions of the abomination and make logical sense with Revelation, *without manipulation*. That's what this website does so **I'm just following Jesus**.

Honestly, now that *Daniel 11* and the *Seals* have been revealed to this generation, everything makes perfect sense. Not only is the Bible linked to verifiable, *modern* history, but verses written 2500-years ago are predicting *current events* in the Middle East *today!* That literally **proves** that the Bible is real and God exists, which is the goal of this website.

### So why would God make it so easy for people to believe at this particular time?

There are two parables that answer that question. First, the *Parable of the Great Banquet* describes a time when the invited guests made materialistic excuses not to go to the banquet. Therefore, the poor, blind, crippled, and lame were brought in but there was still room. Therefore, the Master sent out His servant, a final time, to "make" people come in, so His house would be full. (Luke 14:16-24) My point is: How could someone "make" people have faith, when the Bible is already available, unless there was something *new* to offer as proof? Secondly, in the *Parable of the Workers in the Vineyard*, God calls a whole *new* group of believers in the "eleventh hour" and rewards them the same. Some long-time believers grumble but God says it's because of His generosity. (Matthew 20: 1-16) Personally, I think the unsealing of Daniel 11 (to reveal the signs) and the Seals (to explain Revelation) are God's *generous* ways of offering *proof*, in the last days, **so His house will be full**.

## Simplified Timeline:

**After the 7th "Day", God will dwell with humans, just like He planned in the first place.**  
**"With the Lord, a day is like a thousand years, and a thousand years is like a day."** (2 Peter 3:8)

## Quick Summary

### Before the Rapture

The 'abomination that causes desolation', from the *Book of Daniel*, is the single most important event that Jesus mentioned about end times. (Matt 24:15) Daniel 11 is called the *Book of Truth* (Dan 10:21) and is the most detailed list of events that *lead* to the abomination. Daniel 11 was 'sealed until the time of the end' (Dan 12:4), but now, it has been unsealed, revealing that recent events in the Middle East have fulfilled virtually everything before the [abomination](#). The historical events that follow [Daniel 11, verse-by-verse](#), should be ample proof that this is the correct interpretation of end times and that the abomination is eminent. After all, Moses said that the only true way to tell if a message was from God or not was to see if it came true. ([Deut 18:21-22](#)) Well, I started this website [when we were on Daniel 11:22](#) and now Daniel 11:30 has been completed, so **this interpretation is coming true**. I'm just trying to alert people so they can get ready, because the rapture will happen very quick after the abomination, so there won't be time to make any life decisions or changes, after it occurs.

### Rapture

There is undeniable proof that the 'rapture' in [Matthew 24:29-31](#) is also the 6<sup>th</sup> Seal, in [Revelation 6:12](#), because the signs match perfectly and the multitude is in heaven in Rev 7. The rapture is 'pre-tribulation' because [Seals 1-5 are in the past](#), so there's nothing left in Revelation that needs to happen before the rapture. The rapture, in Matthew 24:29-31, must happen right after the abomination (v. 15) because the two groups of 'elect', namely the Jews going through *part* of the tribulation and the Christians being gathered to heaven, must match the [same two groups](#) in Revelation 7. God's wrath (tribulation) starts in Revelation 8. (There's a simple but comprehensive explanation of 'pre-tribulation' here: "[Proof of Rapture.](#)")

### After the Rapture (tribulation)

The [first 42 months](#) (1260 days) of tribulation will include the Trumpet plagues (Rev 8-11), the two witnesses prophesying in Jerusalem (Rev 11), and the rise of the [antichrist](#) (Rev 13) in the Middle East. During that period, the antichrist will lead a huge army to defeat their opponents in the South, as noted in Daniel 11:40-43. Near the end of that time, the antichrist will also invade Israel, killing the [two witnesses](#), who will lay in the street for 3.5 days, then arise and ascend to heaven, marking the end of the Seven Trumpets.

[Before the Bowl plagues start](#), the false prophet will enter the scene and perform many miracles (Rev 13), which will fool *everyone* (2 Thess 2: 9-12) into receiving the 'mark of the beast', except of course the 144,000 elect ([Matt 24:24](#)). At the 1335-day mark (Dan. 12:12), the 144,000 will be martyred (Rev 14) for not receiving the 'mark of the beast'. Note: Those 144,000 *Jews* are the same ones who become priests during the 1000-years (Rev 20:4-6). In other words, contrary to popular belief, there's [no evidence](#) of any gentile getting a 2<sup>nd</sup> chance because why would a gentile who missed the rapture become a priest? Just saying.

After the martyrdom, the Bowl plagues will start (Rev 16), which will be far worse than the Trumpets, and they will last about 3-years, which will complete the 2300-days. The 7<sup>th</sup> Bowl is [Armageddon](#), when Jesus will return to earth, along with the raptured Christians, all riding on white horses. (Rev 19) Jesus will defeat the army of the beast, led by the antichrist and false prophet, and establish His rule on earth for 1000-years.

### 1000-years and Beyond

There's not much information in the Bible about the [1000-years](#), except that Jesus will rule the nations with an iron scepter ([Rev 19:15](#)) and Satan will be locked in the Abyss. There are clues that indicate that a giant chasm will separate God's people from the outside nations, so that people can see the other side but not be able to cross. ([Luke 16:26](#) & Zechariah 14:4) Naturally, the two sides will be very different ([Rev 22:15](#)) so there could be some jealousy. At the end of the 1000-years, Satan will be released, one last time (Rev 20), and he will lead a revolt against God's people, which is the [war with gog and magog](#). (Ezekiel 38 & 39) They will travel from all parts of the earth, but after years of unsuccessful efforts to fight ([Eze 39:3-5](#)), they will be destroyed by fire from heaven. ([Ezekiel 38:22](#) & [Rev 20:9](#)) Then, all the dead, throughout history, will be judged at the Great White Throne ([Rev 20:12](#)). And, God will create a new heaven and new earth, which will last for eternity, with no sorrow or pain. (Rev 21:1-4)
